## ***Director's Note***

What an unusual year this last year was for choirs! It really affected the Whitehorse Community Choir - no concert last spring or at Christmas! Everyone learning how to do videos of all types last fall and this spring! Whew! It has been a wild ride for me and for the choirs. No one really wants to be the super spreader in a pandemic, but that is what has happened in choirs the world over, when all they really wanted to do was to sing together.

So we finally get to sing together on stage in my smaller choirs. It's not totally what we want, but it's a start. We are happy to be able to present a concert at all! Everyone worked hard on the videos we are presenting and we are really happy to play them for you, our audience, as well. They are labours of bravery and love.

But really, I'm dreaming of a normal concert with my big choir singing as a big group, and my two smaller choirs warbling away on their special songs!

The choir dedicates this concert in memory of Jean-Marc Belanger and Valerie Thomas, long-time choir members who passed away in 2021. We miss them both a lot.

Barbara
